About IKCA

Island Kids Cancer Association is a not-for-profit organization supporting families on Vancouver Island and the Gulf Islands facing childhood cancer. Since 2017, IKCA has filled critical gaps by providing practical help, mental health support, financial aid, and community programs throughout the cancer journey.

We've been there, we understand the system and the challenges and we're here to help. We offer personalized support for the whole family, becoming a trusted part of their care network.

IKCA has helped hundreds of families thanks to the generosity of donors, sponsors, and volunteers. Every contribution stays local and makes a meaningful impact. With continued support through our Annual Golf Tournament, we can ensure no family faces childhood cancer alone.

The event begins with registration, putting contest, and a shotgun start, followed by 18 holes featuring contests, sponsor-hosted holes, and on-course activities. The day concludes with a reception and awards ceremony, where participants enjoy dinner, prizes, and reflections on the impact made for Island families facing childhood cancer.
